

CAI Nevada Chapter Committee Information

In this brochure, you will find information on each of the active committees of the CAI Nevada Chapter.

In order to get the most out of your membership, we highly recommend our members get involved in any one of the many CAI Nevada committees.

Choose a committee you may have an interest in and enjoy that also fits your schedule. Committee members who volunteer their time share their ideas, dedication, and enthusiasm.

Each committee does its part to promote the CAI Nevada Chapter to generate outstanding education programs, events, activities, and marketing opportunities for all of the members.

Becoming a committee also introduces you to your peers, regardless of whether you are a business partner, homeowner, or manager. If you have questions about any of the committees, contact the chapter office.
